of workmen employed in the railroad improvements near the Westerly station, received severe injuries and there is doubt as to his recovery. Tripolistepped upon the end of a loose plank and fell to the ground, a distance of 25 feet, and was rendered unconscious. Restoratives were applied, and Tripoli was conveyed to the office of Dr., Michael H. Scanlon, where he was given treatment.

Two of Tripoli's ribs were broken and he received other internal injuries, besides exterior cuts and bruises. He was taken to his home in Pierce street, where he is receiving the aest of care and medical attention. This is the first accident since the exten-

The so-called Helt house in Union street, sold to Charles Goldberg to be removed to a site in Main street, to make way for the new court house and lown hell is to make way for the new court house and town hall, is twenty-six feet in width. At the foot of Union street, where turn is made into Main street, there is a width of twenty feet from pole to pole, according to the West-riv man that did the paoing off on Monday. He is at a loss to understand how a house twenty-six feet the coming winter it will be from choice, for there is a mule employment. Surface indications denote a one-sided fight in the liquor license question in Westerly, with clergymen in the van.

Leave that little matter to Goldbers, who knows better than to buy a pig in a bag."

There was a deliberate attempt at ar weeking on the Norwich and Westerly Traction comeany's read, Sander night. In passing a point about midway between the North Stonington station and Lantern Hill, he car jostled over the read for a chart distance which ways the passhort distance, which pave the pas-sengers quite a fright and a general shaking up. The car was stopped and passengers went back to ascer-the trouble.

was discovered that spikes had lt was discovered that spikes had been removed from the ties and the rails for a distance of several fect, and that the bolts had been removed from the fishplates that heid the ends of the rails together, and that the bond wire had also been removed. A piece of wire cable had also been laid across the track, showing unmistakeable evidence of malicious attempt to a sarious damage to car and roadled. able evidence of malicious attempt to de serious damage to car and roadbed and to cause loss of life or serious in-jury to passengers and employes. When the car reached North Ston-ington, the circumstances were report-ted by telephone to the company's of-fice, and in a short time the site was samined by Superintendent Cousins,

REV. GEORGE W. DAVIS save: "I have made a faithful trial of the Surgol treat ment and must say it has brought to me new ill and visor. I have gained twenty pounds end newlth 170 pounds, and, what is better. I have gained the days of my boyhood. It has been the larr log point of my life. My health is now fine, don't have to take any medicine at all and newwant to again."

"Please send me another ten day treatment. I am well pleased with Sargol. It has been the light of my life. I am gutting back to my proper wright Sgain. When I began to take Sargol I only weighted 138 pounds, and now, four weeks later, I am weighing 158 pounds and feeling fine. I don't have that sampled feeling every infining that I used to have. I feel good oil the time. I want to put on about the pounds of flesh and that will be all I want.

"Here is my report since taking the Sargel transment. I am a man 67 years of age and was all run down to the very bottom. I had to quitt work, as I was so weak. Now, thanks to Sargel, I look like a new man. I gained 22 pounds with 22 days treatment. I cannot tell you how happy I feel. All my clothes are getting too tight. My face has a good color and I never was so happy in my life."

RS. VERNIE RUUSE says:

"Sergol is certainly the grandest treatment I over used. It has helped me greatly. I could hardly eat anything and was not able to sit up three days out of a week, with stomach trouble. I back only two boxes of Sargol and can eat anything and it don't burt me and I have so more hendache. My weight was 126 pounds and now I wrigh 140 and feel better than I have for five years. I am now as fleshy as I want to be, now shall certainly recommend Sargol, for it does just exactly what you say it will do."

STONINGTON.

New Deacon Chosen at Baptist Church -Local People Going to Fellowship Meeting at Ledyard.

At the meeting of the First Baptist church held Saturday evening James Dally was chosen deacon to fill the place made vacant by the death of W. G. King.

Going to Fellowship Meeting. Going to Fellowship Meeting.

The first of the fellowship meetings of the 1911-1912 series will be held Wednesday with the Ledyard church at Ledyard. The Stonington delegation will leave on the 8.23 a. m. car and take the Norwich trolley, and then go to the church by carriage. Rev. S. M. Catheart will preach the sermon and Deacon E.F. Williams will be the moderator. The discussion in the afternoon will be on God's Gifts and Man's Responsibility.
